## Digraph Word Sort: Back to School

- Print the backpack cards and school supply word cards.
- Cut out the backpack cards and carefully cut a slit along the black line at the top of each backpack.
- Laminate the backpacks and word cards for durability. Re-cut the slits after laminating.
- Display the backpack cards on a table or flat surface.
- Cut out the laminated school books and supplies with digraph words.
- Have students read each digraph word and slide it into the correct backpack labeled with the corresponding digraph.
