

Freebie Directions

- Print out the blank template for each student.
- Select a word that contains a prefix, base, and suffix that have been explicitly taught.
- Students write the word at the top of the template.
- Break the word into morphemes and write the meaning of each part.
- Define the full word using the meanings of the morphemes.
- Write a sentence using the word correctly.
- Illustrate the word with a picture that represents its meaning.
- Use this as a whole-class or small-group review activity to reinforce morphological awareness and vocabulary understanding.
