Reimagining Spelling Instruction with Jake Daggett

FREE IMSE WEBINAR WITH JAKE DAGGETT!

APRIL 17TH 4PM EST

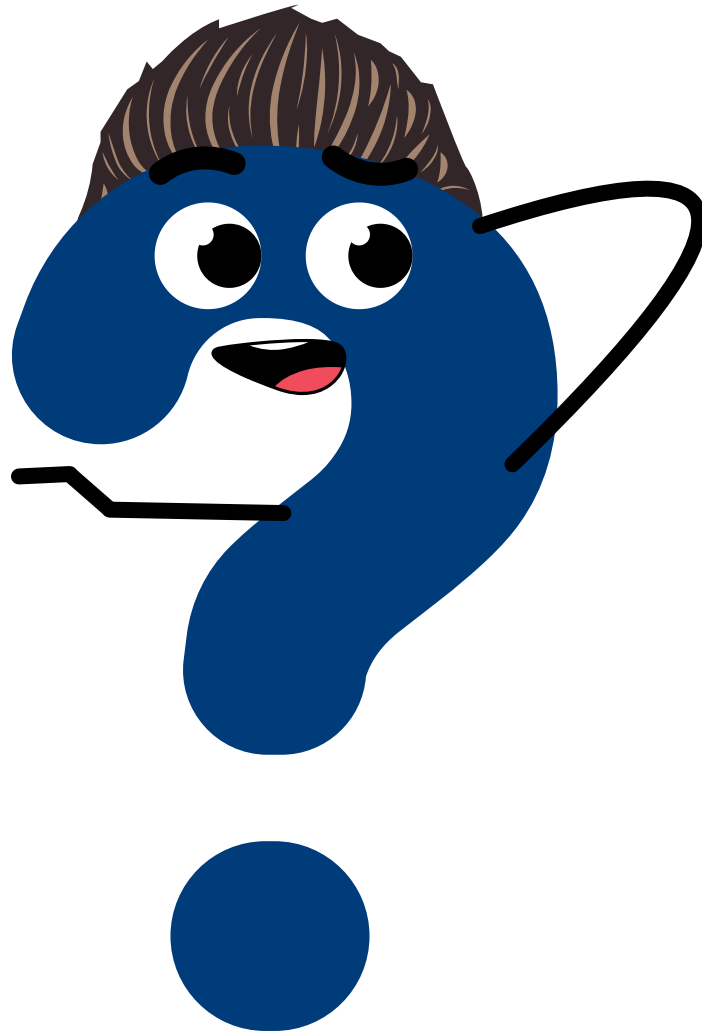

Do we still use word lists? Do I focus on phonology? Orthography? Etymology? Many of these questions have been on the minds of many teachers as the country dedicates more ELA instruction to the structured literacy approach. Spelling instruction can change the trajectory of a child's literacy proficiency, but just how do we get them there?

Explore the ways to connect sound to symbol in this 50-minute webinar with Jake Daggett that will explore recognition, recall, and transcription skills in K-2 classrooms.
