## Freebie Directions

- Print 6 bingo boards and laminate them for durability.
- Distribute one board to each student.
- Give each student a small set of cotton balls (“snowflakes”).
- Call out letter sounds using only skills already taught (e.g., short vowels + review consonants: m, a, l, o, h, g, c, d, t, i, j, k, p, u, b, r, f).
- Students cover the matching letter on their boards with a cotton ball.
- The first student to get four in a row, four in a column, or fill the whole board wins.
