

# Freebie Directions

- **Print and Laminate:** Print the heart box activity pages on sturdy paper or cardstock for durability. Laminate the pages to ensure they can be reused and withstand handling by students.
- **Cut Out the Heart Boxes:** Carefully cut out each laminated heart box along the outlines.
- **Set Up in Centers:** Arrange the heart boxes in your classroom centers.
- **Add a Challenge:** For an extra layer of fun, allow students to time themselves and challenge them to beat their time in the following round.
